

40th ANNIVERSARY OF THE CRÉPEAU CENTRE POSTER CONTEST FOR LAW STUDENTS

La version française suit

To encourage innovation and stimulate interest in research among law students at faculties of Quebec civil law, the Paul-André Crépeau Center for Private and Comparative Law is having a poster contest. Well-known in other disciplines, the research poster is increasingly common as a way of communicating research results clearly and accessibly. This link, to a resource developed by the Université du Québec network, gives more detail about the nature and constraints of the exercise: <http://ptc.uquebec.ca/affiche/>

The contest is linked to the conference that will mark, on 12 February 2016, the Crépeau Centre's fortieth anniversary. Submissions will be displayed during the event and the prize winners will be announced.
