AND COMMUNITY ENGAGEMENT
TERMS OF REFERENCE**

TERMS OF REFERENCE

The Principal's Task Force on Diversity, Excellence and Community Engagement will provide an opportunity for targeted reflection on how to build strategically to improve upon some of McGill's most characteristic strengths: our international character, the extremely bright and dedicated people who make up the McGill community, the inclusion of a broad range of viewpoints, the quality of our teaching and research, and our commitment to

- ❖ More effectively and systemically harness the full power of the considerable knowledge, talent and energy of all members of our community, including alumni and friends, to partner more closely with our fellow citizens in Montreal, Quebec, Canada and the world, to learn from them, and to examine what we can do as a University to
