Project Awards (Research, Service or Demonstration)

PART B (max 1 page):

PROJECT PROPOSAL – Description of project

In this section, the applicant is expected to justify the relevance of the specified project. This can include, but is not restricted to, a demonstration of the rationale and objective(s) of the project; an action plan (or methodology for research project); the anticipated outcomes and benefits, and the dissemination strategies that will be put in place.

PART C: BUDGET DETAIL & TIMELINE (not required for Pfefer award)

In this section, the applicant is expected to justify how he or she is planning on using the financial support to undertake the research project and a timeline for the related activities.

I agree to submit an Ethics proposal for any projects involving the collection of data for research purposes.
