1.5 Email Communication

All students are assigned a McGill Email Address (usually in the form of `firstname.lastname@mcgill.ca`) and are given a McGill email mailbox. You can view your McGill Email Address and set your McGill Password on Minerva (www.mcgill.ca/minerva), under the *Personal Menu*.

Email sent to your McGill Email Address is an official means of communication between McGill University and its students. As with all official University communications, it is your responsibility to ensure you read and act upon University emails in a timely fashion. If you choose to forward University email to another email mailbox, it is your responsibility to ensure that the alternate email mailbox is valid.

You should read and familiarize yourself with the *Code of Conduct for Users of McGill Computing Facilities* and *Email Communications with Students* policies found under *Information Technology* on the University Secretariat website at www.mcgill.ca/secretariat/policies/informationtechnology. For more information on email for students, refer to www.mcgill.ca/it and see *section 14: For your Information Technology (IT) needs*.

1.6 Academic Integrity

Before submitting work in your courses, you must understand the meaning and consequences of plagiarism and cheating, which are serious academic offences. Inform yourself about what might be considered plagiarism in an essay or term paper by consulting the course instructor to obtain appropriate referencing guidelines. You should also consult *Fair Play*, the student guide to academic integrity available at www.mcgill.ca/students/srr/honest. There you will also find links to instructional tutorials and strategies to prevent cheating. The *Code of Student Conduct and Disciplinary Procedures* includes sections on plagiarism and cheating. The possession or use of unauthorized materials in any test or examination constitutes cheating. You can find the *Code* in the *Handbook on Student Rights and Responsibilities* or at www.mcgill.ca/students/srr/publications.

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of cheating under Article 16 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Handbook on Student Rights and Responsibilities*.

1.7 Responsible Use of McGill Information Technology Resources

You must comply with the *Policy on the Responsible Use of McGill Information Technology Resources* as approved by the University Senate. You can find this policy in the listing of *University Policies, Procedures and Guidelines* under *Information Technology*, at www.mcgill.ca/secretariat/policies/informationtechnology.

1.8 Non-smoking Policy

Quebec law prohibits smoking in public buildings. For more information, see www.mcgill.ca/adminhandbook/policies/smoking.

1.9 Health Insurance – International Students

By Senate regulation, all international students (full-time, part-time, half-time, additional session, Special, Exchange and Visiting) and their accompanying dependants must participate in the University's compulsory International Student Health Insurance Plan. The University and the Quebec Ministry of Education require a copy of your proof of health insurance on file. You must pick up an International Health Insurance card from Service Point upon your arrival at McGill University.

Students who meet certain criteria may be eligible for an *exemption*. If you believe you are eligible, you must submit an online exemption request on Minerva and present valid documentation proving eligibility to Service Point before the *deadline*.

1.10 Health Insurance – Canadian Residents

If you are a Canadian student from outside Quebec, you should check with your provincial medicare office to ensure that you have valid health coverage while studying at McGill.

If you are a Canadian student who has been living abroad, you may not be eligible for provincial health insurance coverage. To ensure adequate health insurance coverage, you may enrol in the group plan offered through International Student Services (www.mcgill.ca/internationalstudents). Please note that this option is available only during the first month of your first semester at McGill.

All undergraduate students who pay tuition fees at either the Canadian or Quebec rates and who are members of the Students' Society of McGill University (SSMU) or the Macdonald Campus Students' Society (MCSS) are automatically covered by their applicable Students' Society's Health and Dental Plans. For details on fees, change of coverage dates and on what is covered by the plans, refer to www.ihaveaplan.ca. If you're not sure of your eligibility, contact the *Alliance pour la santé étudiante au Québec* (ASEQ) at 514-789-8775 or 1-866 795-4435, Monday to Friday, from 9 a.m. to 5 p.m. (www.aseq.com).

Revision, June 2011. Start of Revision.

Note for Continuing Studies: As a Continuing Studies student, you are not a member of SSMU or MCSS. Therefore, the coverage of the Students' Society's Health and Dental Plans is not applicable.

Revision, June 2011. End of Revision.

The *Personal Information* section of this publication contains important details pertaining to nominative information, legal documents, ID Cards, as well as other topics, and should be consulted periodically.

2.1 Updating Personal Information

It is important to keep your official records up to date, especially your mailing or billing address, because these are used by the University year round. If your address information on file is invalid, incomplete or missing, the University will hold your mail. Once you have provided a valid address, the University will resume sending your mail.

If you are away from campus and do not have access to the internet, you can request changes by writing to your Student Affairs Office or to Service Point. Your written request must include your signature.

If you need to change important personal information that requires the University to verify official documents, such as a name or citizenship change, or correction of your birth date, you must go in person (as soon as possible) to Service Point, 3415 McTavish Street, Montreal, Quebec, H3A 1Y1. Macdonald Campus students can request changes in person at the Student Affairs Office, Laird Hall, Room 106.

Note for Continuing Studies: If you need to change important personal information that requires the University to verify official documents, such as a change to your name or citizenship, or correction of your birth date, you must go in person (as soon as possible) to the School of Continuing Studies Client Services Office. Such changes can only be made in person at the School of Continuing Studies, Client Services Office, 688 Sherbrooke Street West, Room 1199.

Revision, June 2011. End of Revision.

2.2 Legal Documents: Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your status in Canada. In order for us to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require legal documents confirming your current status. We also require these documents to confirm your valid citizenship/immigration status. To find out which documents you must provide, refer to: [section 2.3: Legal Documents: What Documents Does McGill Need from You?](#).

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is issued by the Quebec *Ministère de l'Éducation, du Loisir et du Sport* (MELS), and is obligatory for all students registered in a Quebec institution.

If you have previously attended school in Quebec, you already possess a Permanent Code which can be found on your school report card or your CEGEP and/or university transcripts. After you have accepted the University's offer of admission, you can check on Minerva (under the *Personal Menu*) to see if McGill has received your Permanent Code.

You can consult your tuition and legal status (including your Permanent Code) on Minerva (www.mcgill.ca/minerva). Select *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.

Most students in Continuing Studies must register using *Minerva*, during the registration periods published in : [Key Dates, 2011-2012](#) and at www.mcgill.ca/importantdates.

Revision, June 2011. End of revision.

Note:

If you are registering for short courses or seminars, see your individual academic area for specific registration information.

You must register for at least one course prior to the end of the regular registration period to avoid paying a late registration fee of \$25. You may add courses until the end of the add/drop period without penalty. If you are in doubt about what course(s) to register for, you can meet with an adviser.

Revision, June 2011. Start of revision.

You are responsible for your course selection, registration, and for ensuring that you have completed your program and degree requirements according to the regulations and deadlines indicated in this publication. Advisers and staff at the School of Continuing Studies are available to give you advice and guidance.

The School publishes an **Important Dates Supplement** three times a year that contains specific details on registration dates and information needed for the upcoming term. In case of discrepancy between what is published in the supplement and this publication, the supplement takes priority.

Revision, June 2011. End of revision.

3.1 Who Can Use Minerva?

Revision, June 2011. Start of revision.

If you were registered at the School of Continuing Studies during the past year

If any of these conditions apply, you should see an adviser and register in person (see [section 3.3.1: In-Person Registration](#)).

3.2 How to Register Using Minerva

Go to [Minerva](#) and follow the step-by-step instructions. You can register and/or make course changes using Minerva ONLY during the periods indicated in the Minerva Registration Schedule. For more information, see [section 3.4.3.1: Minerva Registration Schedule 2011/2012](#).

Before Going to Minerva:

- Read the timetable and registration instructions carefully. Not all courses are offered each term. Keep this in mind when selecting your courses. You can only register for one term at a time.
- See an Adviser. If you wish to substitute required courses or enrol in courses outside your program, you must obtain written approval from your academic area, otherwise the course may not be recognized for credit toward your program. If you need to see an adviser, call your academic area well before registration to make an appointment.

3.3.2 Registration for Short Courses, Seminars and Workshops

For registration in the following areas, please see the appropriate academic area in this publication:

[section 1: General Policies and Information](#)

School of Continuing Studies > Areas of Study > Career and Professional Development > : Professional Development Courses (CE Units and Other)

School of Continuing Studies > Areas of Study > : The McGill Community for Lifelong Learning (MCLL)

3.3.3 Registration by Proxy

If you are unable to register during the scheduled registration periods, you can register by proxy. A Proxy form is available at the School of Continuing Studies or at www.mcgill.ca/conted/studentres/forms. This form must be completed and signed by both you and the proxy-holder. The School will not accept proxy forms sent by fax. The proxy holder must bring the signed form along with all supporting documents, and be prepared to pay the fees in full (see [section 3.3.1: In-Person Registration](#)).

3.3.4 Registering by Mail, Fax or by Web

If you are registering for courses, workshops or seminars offered by *Career and Professional Development* or by *Faculty Partnerships and Summer Studies*, refer to the specific course on the website at www.mcgill.ca/conted/prodep. In some cases, you may be able to register by mail, fax or via web.

3.4 Course Withdrawals and Refunds

Once registered for a course, you are responsible for the fees. If you decide not to follow the course, you must officially withdraw.

Simply not attending classes or informing the instructor does not constitute an official withdrawal.

3.4.1 How to Withdraw from a Course

You can withdraw from a course in one of two ways:

Revision, June 2011. Start of revision.

- Online using Minerva (*Registration menu*)
- In-person by completing a "Course Change Form" available at www.mcgill.ca/conted/studentres/forms and bringing it to the Client Services Office.

3.4.2 Add/Drop Period

You can change sections, add and drop courses only during the add/drop period. You will be charged a \$20 administrative fee for each course dropped. Refer to the Important Dates Supplement for specific add/drop dates. Courses dropped before and during the Late Registration and add/drop period will not show on your record.

3.4.3 Withdrawing from a course – Grade of W

There are two withdrawal periods for the Fall and Winter terms; one with a refund and one without a refund.

It is very important that you take note of the deadlines for obtaining a refund.

If you miss the fee refund deadline, you are responsible for all course fees. During both withdrawal periods you may withdraw **G9d0 1sv**

If you are a student at another Quebec university and you want to take courses at McGill using the Quebec Inter-University Transfer (IUT) agreement, you must initiate an online application to request the required authorizations at www.mcgill.ca/students/transferecredit/current/iut. You should also refer to your home university website for regulations on the number of credits allowed, as well as the policies for transferring the credits.

Note: Once the Quebec Inter-University Transfer (IUT) application is approved by both the home and host universities, you remain responsible for registering in the course that was approved. At McGill, you have to register on Minerva (www.mcgill.ca/minerva). You will be informed via email of the necessary registration steps once your application has been approved. **You must allow sufficient time to complete and submit your electronic application, because you are responsible for adhering to all McGill's registration deadlines.** If you decide later to drop or withdraw from the approved course(s), you will need to drop or withdraw from the course on Minerva AND submit this change on the online Quebec Inter-University Transfer (IUT) application.

McGill will automatically submit your grades for any completed courses to your home university.

Revision, June 2011. Start of Revision.

Note for Continuing Studies: If you are a Visiting IUT Student and your application has been approved, you must register in-person, by appointment only (see [section 3.3: In-Person Registration](#)).

Revision, June 2011. End of Revision.

3.14 Auditing of Courses

McGill does not permit auditing of courses.

Revision, June 2011. Start of Revision.

Note for Continuing Studies: You can register for a Continuing Studies course and opt to have it "non-evaluated".

Revision, June 2011. End of Revision.

4 Fees for Continuing Studies Students

The University reserves the right to make changes without notice in the published scale of fees. Please consult the Student Accounts website at www.mcgill.ca/student-accounts/fees. The University will publish this schedule as soon as the fees for the 2011-2012 academic year are announced.

Revision, June 2011. Start of revision.

4.2.2 International Students

Exemption from International Tuition Fees may be claimed by students in certain categories. Such students, if eligible, are then assessed at the Quebec student rate. A list of these categories and the required application forms can be obtained from Service Point. Information is also available at www.mcgill.ca/student-records/fees/exemption.

For more information concerning Fee Exemptions, please contact Service Point at www.mcgill.ca/students/records/contact.

4.2.3 Tuition Fees for Continuing Studies Students: Fees for Non-Credit Courses

Revision, June 2011, Start of revision.

Fees for non-credit courses and for short courses or seminars not recorded on the official McGill transcript are noted in [section 3.11: Course Information and Regulations](#) or on the Continuing Studies website at www.mcgill.ca/conted. The MACES fee is included where applicable (see [section 21.7.2: Student Governance: McGill Association of Continuing Education Students \(MACES\)](#)).

Revision, June 2011, End of revision.

4.2.4 Tuition Fees for Continuing Studies Students: Senior Citizens

Revision, June 2011, Start of revision.

Senior citizens aged 65 years and over, registered in credit or non-credit courses, will be credited an amount equal to 50% of the Quebec tuition fee rate. This policy applies to students who have turned 65 as of September 30 for the Fall term and January 31 for the Winter term. Fee reductions do not apply to fees for: Intensive English and Intensive French, special programs in *Faculty Partnerships and Summer Studies*, and *Career and Professional Development* or membership in the *McGill Community for Lifelong Learning*. Senior students who pay the International or non-Quebec rate will be credited 50% of the Quebec tuition fee for their program.

Revision, June 2011, End of revision.

4.2.5 Tuition Assistance for McGill Staff

McGill staff may be entitled to a tuition waiver equivalent to 100% of the portion of eligible tuition fees. For complete details, refer to the policies and procedures found at www.mcgill.ca/benefits/forms. Here you can complete an online request form as you register. Should you not successfully complete the courses as detailed in the policy, the exemption will be cancelled and you will be required to pay these fees according to regular payment deadlines.

4.2.6 Staff Dependent Waivers

Students who are dependents of staff members or pensioners may qualify for a fee reduction. You may download the application form from www.mcgill.ca/benefits/forms and forward the completed form to Enrolment Services.

Revision, June 2011, Start of revision.

Note for Continuing Studies Students: This form can also be forwarded to the Client Services Office of the School of Continuing Studies as appropriate.

Revision, June 2011, End of revision.

The fee reduction will be credited to your McGill fee account once eligibility has been confirmed and all appropriate signatures have been obtained. This fee reduction will be reflected in a T4A slip issued in February by the University.

For more information, refer to the MUNACA Collective Agreement, or the Staff Dependent Policy at www.mcgill.ca/adminhandbook/personnel/stafftuition.

4.3.1 Administrative Charges

The University charges a number of administrative fees to students in credit courses and programs which include:

Registration Charge - All students are assessed a registration fee.

Information Technology Charge - The purpose of the information technology fee is to enhance certain technology services provided to students as well as to provide training and support to students in the use of new technology.

Transcripts and Diploma Charge - The University charges a transcripts and diploma fee to all students which entitles you to order transcripts free of charge as well as covers the costs of your graduation.

Copyright Fee - All students in courses and programs are charged the copyright fee which covers the cost of the annual fee that all Quebec universities are required to pay to Copibec (a consortium that protects the interests of authors and editors) for the right to photocopy materials protected by copyright.

General Administrative Charge - As per the Quebec government's regulation on administrative fee increases, students are assessed \$15.00 in the Summer term and a total of \$30 for the Fall and Winter terms to cover indexation for the Registration Charge, the Information Technology Charge, Transcripts and Diploma Charge, and the Copyright Fee.

You may access the schedule of fees on www.mcgill.ca/student-accounts/fees/compfees/it.

4.5 Billings and Due Dates

Invoicing of Fees

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is av

4.7 Other Policies Related to Fees: Acceptance of Fees vs Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid in advance will be refunded.

For directions on requesting your refund online in Minerva, see www.mcgill.ca/student-accounts/refund.

4.8 Other Policies Related to Fees: Fees for Students in Two Programs

Students in two programs normally are billed additional fees for their second program. Depending on the level of the two programs (e.g., one at the undergraduate versus one at the graduate level), you may incur both society and faculty fees and/or additional tuition fees. Consult the Student Accounts website at www.mcgill.ca/student-accounts for further details.

You should consult the Student Accounts Office at student.accounts@mcgill.ca for information on tuition fees. Adjustments to bills are made throughout the term in cases where fees cannot be automatically calculated.

4.9 Other Policies Related to Fees: Quebec Inter-University Transfer Agreements

If you are taking courses as part of the Quebec Inter-University T

4.13 Tax Slips for Continuing Studies Students

T4A (RL-1), T2202A and Relevé 8 slips are issued on Minerva under the *Student Accounts Menu* by the end of February each year. Note that a social insurance number as well as a valid mailing address are required to be transmitted to Revenu Québec by the University as part of its tax reporting for both the T4A and the Relevé 8 slips, therefore it is highly recommended that if you e

- you should see your Faculty adviser to discuss degree planning.

If you are in probationary standing:

5.1.1.5 Incomplete Standings: Faculties of Arts and Science (including B.A. & Sc.)

- Standing awaits deferred exam.
- Must clear K's, L's or Supplementals.
- Standing Incomplete.

If you are a student with an incomplete standing (in the Winter or Summer term):

- you may register for the Fall term, but your standing must be resolved by the end of the course change period for that term;
- you may continue in the program if incomplete standing changes to satisfactory, probationary, or interim unsatisfactory standing;
- you may not continue in your program and your registration will be cancelled if standing changes to unsatisfactory standing.

If your standing changes to unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in unsatisfactory standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an unsatisfactory standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

If your standing is still incomplete by the end of course change period, you should immediately consult with your Faculty Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate standing in June, if the outstanding mark in the course will not affect your standing. Otherwise, standing decisions will be made only once incomplete marks have been cleared. For more information about incomplete grades, please refer to *Incomplete Courses*.

Note: Requests are made at the *Service Point* (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

- If you do not obtain either the TGPA or CGPA noted above, you will be placed in unsatisfactory standing.
- You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

5.1.2.3 Unsatisfactory Standing: Faculty of Engineering

You are in unsatisfactory standing if you have **EITHER**:

a CGPA that is less than 1.20

OR

a TGPA that is less than 2.50 and a CGPA that is less than 2.00.

If at any time, you were placed in unsatisfactory standing and were readmitted to the Faculty of Engineering after one term away, and you are placed in unsatisfactory standing again at the end of any subsequent term, you may not continue in your program. You will be asked to withdraw from the Faculty of Engineering for a minimum of one term or permanently, based on the conditions of your last letter of readmission.

If you are in unsatisfactory standing for the first time, the regulations below apply.

Students in interim unsatisfactory standing after the Fall term:

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but your CGPA is less than 2.00, you may continue with your studies but will remain in probationary standing until you obtain a CGPA of 2.00 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in unsatisfactory standing.
- You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

Students in unsatisfactory standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about academic standing, see www.mcgill.ca/engineering/student/sao/policies/academic.

5.1.3 Academic Standing: Faculty of Law

If you do not obtain a sessional Grade Point Average (GPA at the end of Fall and Winter terms combined) of 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a minimum of 10 credits per session.

5.3 Continuing Education Units (CE units)

Revision, June 2011. Start of revision.

Some courses at the School of Continuing Studies carry a Continuing Education Unit (CEU) rating. These courses do not normally count toward the fulfillment of a credit program.

Revision, June 2011. End of revision.

A Continuing Education Unit is a measure of the number of hours of participation - contact and/or study - in an organized Continuing Education activity. One CE unit represents ten hours of participation.

5.4 Grading and Grade Point Averages (GPA) for Continuing Studies

Graduate Grading

F (Fail)	0	0 - 64%
P		Pass

The University assigns grade points to letter grades according to the table above. Your academic standing is determined by a grade point average (GPA), which is calculated by dividing the sum of the course credit, times the grade points by the total course GPA credits. The result is not rounded up to the nearest decimal point.

GPA credits are the credits of courses with grades that are assigned grade points.

$$\text{GPA} = \frac{\sum (\text{course credit} \times \text{grade points})}{\sum (\text{GPA course credits})}$$

The *term grade point average* (TGPA) is the GPA for a given term calculated using all the applicable courses at the same level in that term. The *cumulative grade point average* (CGPA) is the GPA calculated using your entire record of applicable courses at McGill at the same level; if you change levels, e.g., from undergraduate to graduate, the CGPA starts again.

This policy took effect in January 2003. Prior to January 2003, if your degree program had changed, e.g., from B.Sc. to B.A., the CGPA started again. For students with academic information prior to Fall 2002, who are registered in a different program or in a different level post-Fall 2002, the transcript displays a special message regarding the CGPA restarting.

If you repeat courses, all results are included in the GPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after you repeat the course or if you take a supplemental examination. Note that credits are only granted once for a repeated course regardless of the passing grade.

You must obtain a minimum CGPA of 2.00 to be considered for graduation with a McGill degree.

Note: During the first week of lectures, each instructor will provide you with a written course outline. This information should include, where appropriate:

- whether there will be a final examination in the course;
- how term work will affect the final grade in the course;
- how term work will be distributed through the term;
- whether there will be a supplemental examination in the course, and if so, whether the supplemental exam will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal final examinations must have supplementals);
- whether students with grades of D, F, J, or U will have the option of submitting additional work, and, if so, how the supplemental will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

5.5 Other Grades for Continuing Studies

Other Grades	
J	- unexcused absence (failed); the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the TGPA and CGPA.
K	- incomplete; deadline extended for submission of work in a course (see "Incomplete Courses").
KE or K*	- further extension granted (see "Incomplete Courses").
KF	- failed to meet the extended deadline for submission of work in a course; calculated as a failure in TGPA and CGPA.
KK	- completion requirement waived. Not calculated in TGPA or CGPA. deferred e

Other Grades	
WF	- withdrew failing; a course dropped, with special permission in an exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not calculated in TGPA or CGPA. (Not used by Music.)
WL	- faculty permission to withdraw from a deferred examination; not calculated in TGPA or CGPA.
NA or &&	- grade not yet available.
W-- or --	- no grade; student withdrew from the University, not calculated in TGPA or CGPA.

5.6 Unexcused Absences for Continuing Studies Students

Revision, June 2011. Start of revision.

If, without a valid excuse, you do not participate in or write a final examination or submit required term work for any courses you were registered in, you will receive a final grade of J (unexcused absence).

Revision, June 2011. End of revision.

5.7 Incomplete Courses for Continuing Studies

If the instructor decides there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete).

Note: If the instructor submits a grade of K, he or she will also indicate the date by which the student must complete the work. Consult the faculty sections for maximum extensions.

Note: If the instructor submits a new grade within the deadline, both the new grade and the grade of K will appear on your verification forms and unofficial and advising transcript. However, the new grade will replace the K on your official transcript.

Note: If you do not complete the required work before the deadline, a grade of KF will be updated on your record. A KF denotes a failed course and is calculated in the TGPA and CGPA as an F.

Note: In exceptional circumstances, and with the approval of the Associate Dean or Director, the deadline may be extended further, in which case the grade of KE (further extension granted) appears. If you do not meet the extended deadline, a grade of KF will replace the KE.

Revision, June 2011. Start of revision.

Note for Continuing Studies: All students who miss a final exam are given a grade of J. For more information regarding the J grade, see [section 5.6: Unexcused Absences for Continuing Studies Students](#).

Revision, June 2011. End of revision.

5.8 Non-Evaluated Work for Continuing Studies Students

Revision, June 2011. Start of revision.

If you are attending a course that has an evaluation process (such as an examination or other criteria), you may choose not to be evaluated. To do this, you must complete the required form at: www.mcgill.ca/conted/studentres/forms, prior to the start of the third lecture. Submitting this request will result in a grade of NE on your academic record. Under no circumstances will a course with a grade of NE (No Evaluation) count toward a certificate, diploma or degree program. Note that only courses administered by Continuing Studies can have a grade of NE.

Revision, June 2011. End of revision.

If you are taking a general interest course (non-program) that does not have an evaluation process, you may request to be evaluated by completing a form prior to the start of the third lecture. You can find the form at: www.mcgill.ca/conted/studentres/forms Note that this option does not apply to short courses, workshops and seminars not included on the McGill transcript.

5.9 Verification of Student Records: Unofficial Transcripts

Subject to [section 5.10: Changes to Student Records after Normal Deadlines](#), you are responsible for verifying your academic record on Minerva (www.mcgill.ca/minerva) using the unofficial transcript to ensure that you are registered in the proper courses, and that the correct program information and expected term of graduation appear on your record.

If you are graduating, verify your record on Minerva before the end of your final term to ensure that the correct expected graduation term appears on your unofficial transcript; if not, you may be overlooked for graduation. You should direct any questions or problems with your record to your Student Affairs

Student's Citizenship and/or Immigration or Fee Exemption Status

Note that your faculty/school or Graduate and Postdoctoral Studies does not handle changes related to your citizenship and/or immigration or fee exemption status; see [section 2.2: Legal Documents: Why Does McGill Collect Legal Documents from You?](#).

5.11 Transcript of Academic Record: Unofficial Transcripts

If you require a copy of your student record, access Minerva (www.mcgill.ca/minerva) to view and print an unofficial transcript. This applies to records from 1976 to the present. For pre-1976 records, you must order an official transcript. See [section 5.12: Transcript of Academic Record: Official Transcripts](#).

5.12 Transcript of Academic Record: Official Transcripts

Use Minerva (<http://www.mcgill.ca/minerva>) to order an official transcript at *Student Menu > Student Records Menu > Request Printed/Official Transcript*. For more information on transcripts, delivery method and processing time see <http://www.mcgill.ca/student-records/transcripts>

Alumni who were registered or graduated prior to Fall 2002: Please visit the IT Knowledgebase (<http://www.mcgill.ca/it>) to view how your McGill ID & Minerva PIN has changed.

Alumni who were registered or graduated prior to 1972 (archived records): You are unable to submit a request in Minerva. Complete and sign a *Request for Release of Official Document* form located on: <http://www.mcgill.ca/student-records/forms/> and submit the form to Service Point (<http://www.mcgill.ca/student-records/contact/>).

Note: Proxy requests will be accepted only with written authorization.

5.13 Transcript of Academic Record: General Information

Transcripts are free of charge.

The University sends official transcripts directly to the addresses provided by the student. If you intend to deliver the transcript to another institution yourself, you can request to receive it in a sealed envelope.

Requests are normally processed in 24 to 48 hours; transcripts requested at peak times and for pre-1976 records take longer.

Enrolment Services is not responsible for transcripts that are lost or delayed in the mail.

The University issues only complete transcripts that record all attempted work and final results obtained in any and all programs. Under no circumstances does the University issue partial transcripts.

Official transcripts are NOT issued for students registered on or after September 2001 who have failed to provide the information and/or documents necessary to obtain or verify their Permanent Code.

Transcripts are not issued if you owe fees or fines over \$30.

The University prints official transcripts on secure paper that cannot be copied.

Requests for official transcripts must be submitted on Minerva. For more information, refer to [section 5.12: Transcript of Academic Record: Official Transcripts](#).

5.14 Transcript of Academic Record: Course Numbering on the Transcript

Prior to September 2002, course numbers had seven-character designations beginning with a three-number code indicating the teaching unit/department. The next three digits specified the course, with the first of these indicating its level. The final character was a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);

301-202B = Architecture (301) course (202) in Winter term (B);

154-230D = Economics (154) course (230) extending for two terms, Fall and Winter (D).

A list of the former Teaching Unit Codes and their Subject Code equivalents is available at www.mcgill.ca/student-records/transcripts.

Members of the teaching staff may give interim class tests from time to time.

6.2 Special Examination Facilities for the Disabled

If you have a permanent or temporary disability, consult the Coordinator, Office for Students with Disabilities, about the possibility of arranging special examination facilities. For more information, see: www.mcgill.ca/osd.

6.3 Credit by Examination

In certain exceptional cases and in certain faculties, you can apply to the Associate Dean or Director to write a final examination in order to obtain credit in a course that you were not registered in. This is possible only in those courses where there is no other assessment except the final examination.

6.4 Final Examinations

Formal final examinations are held during an examination period at the end of the course term. The dates of the examination periods are listed at www.mcgill.ca/importantdates.

Important Note: You are advised not to make travel plans prior to the release of the Final Exam Schedule. Vacation plans *do not* constitute grounds for the deferral or re-scheduling of final exams.

In some courses there is no final examination; your standing in these courses is determined by term work and class tests.

6.4.1 University Regulations Concerning Final Examinations for Continuing Studies Students

Preamble

The objectives of these regulations are as follows:

1. to protect students from excessive workloads;
2. to use the full 15-week term to maximum advantage.

Revision, June 2011. Start of revision.

Regulations

1. These regulations shall apply to undergraduate courses up to and including the 500 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper, program, or project.
Note for Continuing Studies: Regulation 1 also applies to graduate-level courses.
2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the Fall and Winter terms, except where a pattern of continuous evaluation has been established, in which case the total value of examinations given in this period shall comprise no more than 10% of the final mark.
3. If the written examinations in a course constitute 50% or more of the final mark, one of these shall be given as a final written examination; and it shall take place during the examination period after the last day of scheduled lectures in December or April.
4. A final examination given during the examination period shall be worth at least 25% of the final mark.
5. Students shall be informed of all course requirements by the end of the course change period. All term work shall be assigned early enough in the term for students to complete the assignment(s) by the last day of class.
6. The due date for term work in courses to which these regulations apply shall be no later than the last day of classes.
7. In courses that span the Fall and Winter terms (course pairs with numbers ending D1 and D2), instructors who wish to give a mid-year examination in December must schedule it in the formal examination period.
8. The principles enunciated in these regulations shall be applied, appropriately modified, to courses given during the summer, to other courses of less than a 13-week duration, and to courses in the Faculties of Law, Medicine, Dentistry, and Education that do not follow the normal University Timetable.
9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.

Note for Continuing Studies: Regulation 9 is not applicable to Continuing Studies students.

10. These regulations, and any variations to them, shall be made known to students by each faculty.

Note for Continuing Studies: Regulation 10 is not applicable to Continuing Studies students.

Instructors are not permitted to grant any special treatment regarding examinations to any student. Students who believe there are circumstances which might justify making special examination arrangements for them or which might legitimately be taken into account in evaluating their performance should apply to the Associate Dean or Director of their faculty.

It is the responsibility of the student to confirm the date, time and place of the examination by checking examination schedules posted on notice boards on campus and at www.mcgill.ca/students. This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

Note for Continuing Studies: Students should consult: www.mcgill.ca/conted.

Revision, June 2011. End of revision.

6.4.2 Deferred Examinations for Continuing Studies Students

If, for serious reasons such as illness or family affliction, you have not written one or more examinations, you may receive the permission of your Faculty Client Services Office upon providing supporting documentation to defer the examination to the next supplemental examination period, except in the Faculty of Engineering (where students write the examination the next time the course is given); see the *Deferred Examinations: Faculty of Engineering* section in the *Programs, Courses and University Regulations* publication available at www.mcgill.ca/study. You should be aware that the University will only defer examinations for compelling reasons, verified and accepted by the Client Services Office. You must provide supporting evidence such as an appropriate medical report, and you must inform the Client Services Office as soon as possible to explain why you missed the examination.

Revision, June 2011. Start of revision.

Note for Continuing Studies: There is no supplemental examination schedule.

If you are in one of the following faculties, you must apply for deferred examinations on Minerva: Agricultural and Environmental Sciences, Arts, Education, Engineering, Religious Studies, Science, School of Ph

- You must have received a final grade of D, F, J, or U in the course;
- A \$35 non-refundable fee for each supplemental exam application is assessed at the time of application and charged directly to your McGill account;
- Only one supplemental examination is allowed in a course;
- Supplemental examinations are available for most courses given in the Faculties of Arts, Science, Education, Religious Studies and Social Work;
- Supplemental examinations are not available for courses administered by Agricultural and Environmental Sciences, Management, Music, or Engineering;
- Special permission is required if you want to write supplemental exams totalling more than 8 credits;
- The format of the supplemental examination (e.g., multiple-choice or essay questions) will not necessarily be the same as the final examination, so you should consult the instructor about the format;
- The supplemental result may or may not include the same proportion of class work as did the original grade; the instructor will announce the arrangements to be used for the course by the end of the course change period;
- The supplemental grade will not replace the grade originally obtained, which is used in calculating the GPA; both the original mark and the supplemental result will be calculated in the CGPA;
- For courses in which both a supplemental examination and additional work are available, you may choose the additional work, or the examination, or both; where both are written, only one supplemental mark will be submitted, reflecting marks for both the supplemental examination and the additional work;
- There are no supplemental examinations for Summer courses;
- Additional credit will not be given for a supplemental exam where the original grade for the course was a D and you already received credit for the course;
- No supplemental examinations are available if you fail to achieve a satisfactory grade in a course with a deferred examination;
- Supplemental examinations in courses outside your faculty are subject to the deadlines, rules and regulations of the relevant faculty.

You must frequently verify the status of your supplemental exam application on Minerva for any additional information required by your Student Affairs Office. Once your application has been approved you will receive a confirmation email at your McGill email address.

If you register for a supplemental examination but find yourself unprepared for it, you should not write the exam; except for the loss of the application fee, there is no penalty for missing a supplemental examination. You should consult your Student Affairs Office for further information. It is important that you also see a faculty adviser to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

You must verify the date and time of the supplemental examination, and make yourself available to write the exam. Dates can be found at www.mcgill.ca/students/exams/dates.

Revision, June 2011. Start of revision.

Note for Continuing Studies: Availability of supplemental exams and the conditions under which you will be permitted to take them are different in each academic area.

Revision, June 2011. End of revision.

Note for Faculties of Arts and Science (including B.A. & Sc.): It is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

Note for the Faculty of Engineering: Supplemental examinations are available for courses in the Faculty of Science (including Year 0 (freshman) math and science courses)out.

The grade obtained on the reread takes precedence over the original grade.

You may also request a verification of your final grade. This involves a detailed review of the final examination to ensure that all questions have been graded, that grades have been added correctly and that any term work has been included in the final grade as per the course outline. Please see forms at www.mcgill.ca/conted/studentres/forms.

7.1 Graduation Honours: Dean's Honour List for Continuing Studies Students

If you are graduating with an undergraduate degree, you may be awarded the designation Dean's Honour List under the following conditions:

7.3 Apply to Graduate

Most undergraduate students and non-thesis graduate students (master's, certificates, diplomas) must use Minerva (www.mcgill.ca/minerva) to apply to graduate (go to *Student Records* > *Apply for Graduation for Your Primary Curriculum*). It is your responsibility to inform McGill of your intention to graduate. You need a minimum residency requirement of 60 credits at McGill to qualify for a McGill undergraduate degree. For more information see [section 7: Graduation](#). The minimum CGPA required to graduate is 2.00, and you must be in Satisfactory standing.

The Application for Graduation is available on Minerva when you register for your final year (e.g. U3 or U4), except if you are in the Faculty of Medicine or Faculty of Dentistry, where you are automatically flagged for graduation in your final year. For more information on how to apply on Minerva, go to www.mcgill.ca/minerva-students/records/graduation.

Once you apply to graduate, you are authorizing the University to include your name in the Convocation program. If you want your name to be omitted from this publication you must send an email to Enrolment Services at studentrecords@mcgill.ca by March 15 for Spring convocation, and September 15 for Fall convocation.

Deadlines:

- Fall term graduation (courses completed in December; transcript will indicate 'degree granted' in February; Spring convocation): You must apply on Minerva by the end of November.
- Winter term graduation (courses completed in April; transcript will indicate 'degree granted' in May; Spring convocation): You must apply on Minerva by the end of February.
- Summer term graduation (courses completed by August; transcript will indicate 'degree granted' in October; Fall convocation): You must apply on Minerva by the end of March.

If you miss one of these deadlines, contact your Faculty Student Affairs Office immediately.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at the *Service Point* (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

Revision, June 2011. Start of Revision.

Note for Continuing Studies: The minimum residency requirement of 60 credits does not apply to the School of Continuing Studies certificates and diplomas.

Revision, June 2011. End of Revision.

7.4 Graduation Approval Query

As a graduating student, you can view the status of your graduation record on Minerva (www.mcgill.ca/minerva) during the Faculty review and approval process (go to *Student Records* > *Graduation Approval Query*). The *Graduation Approval Query* form becomes available to graduating students approximately three to four weeks before the *Degree Granted* notation is updated on their records.

If you have met all requirements for graduation, your student record on Minerva will display the *Degree Granted* notation at the appropriate time:

- Late February, for Fall term graduation (Convocation in Spring).
- Late May, for Winter term graduation (Convocation in Spring).
- Late October, for Summer term graduation (Convocation in Fall).

See www.mcgill.ca/convocations for information regarding convocation ceremonies.

8 Aegrotat Standing and Degree at McGill University

Aegrotat standing is awarded in rare cases where a student, based on serious medical or similar evidence, is unable to complete course requirements within a reasonable time, or at all.

At McGill, this designation is currently applied toward the end of a student's degree program resulting in the awarding of an aegrotat degree. An aegrotat indicator of 'Y' at graduation signifies that a student was awarded such a degree. An aegrotat degree is awarded only to students in good standing who have been unable to complete their degree due to special circumstances. Information on this degree designation is included only in the convocation program, and not on the transcript.

Aegrotat standing is rarely granted at McGill University. A formal request must be submitted to the Dean of the faculty in which the student is registered during the graduating year. The approval of the Dean and the Deputy Provost, Student Life and Learning, is necessary to grant this status.

9 Advising and the University Mission

The Mission Statement of the University expresses the commitment to offer students *the best education available*. An essential component of this is the advising process. Because advising takes place in many ways and locations at McGill, it is important that you learn about the different types of advisers (see *Types of Advising and Advisers*) and how they can help you reach your goals.

9.1 The Role of the Student in Advising for Continuing Studies Students

Your active participation in the advising process is essential for accessing the full range of academic opportunities during your studies. You must be proactive in seeking meetings with various advisers, professors, and counsellors to ensure that you receive the advice you need to formulate a personal plan of study and to meet your academic goals. While advisers are there to provide you with guidance, you are ultimately responsible for meeting your degree or diploma requirements. It is your responsibility to learn the rules and regulations of the University, your faculty, and your program. With your cooperation, advisers and counsellors will assist you throughout your undergraduate studies.

Numbering over six million items, the Library's vast holdings include 2.5 million books, textbooks and course-readers, thousands of journal titles, vast manuscript and pictorial collections and thousands of sound and video recordings. The Library's e-resources are extensive, and include over 60,000 e-journals, multimedia, and two million e-books on subjects ranging from early English literature to nutrition.

A comprehensive website (www.mcgill.ca/library), an online catalogue, and a wide range of library services link the Library's resources to those who need them for learning, research and scholarship. Hundreds of databases on topics from art history to zoology guide users to relevant journal articles and research materials, while subject guides on topics like chemistry and social work provide comprehensive and clear direction for users undertaking research. The Library's website also provides access to items such as past examination papers, McGill theses, and foreign newspapers. All electronic resources are available for use from home using the VPN (Virtual Private Network) or laboratories anywhere on the campus - access any time, any place.

The staff in each branch library can help you locate information for course work, assignments or research topics. Training is provided at all student levels to ensure you know how to find and use information. Information skills programs are undertaken as part of course curricula. Liaison Librarians specialize in specific disciplines, and are available to assist students and staff in person, on the phone, online, by email and via online chat.

Although opening hours vary, most libraries are open up to 90 hours per week, and several branch libraries extend opening hours during examination periods, including 24-hour-access to the Humanities and Social Sciences Library. Hundreds of computers are available for email, word-processing, accessing online courses, reading library materials, preparing assignments and searching the Internet. Designed to enhance the learning experiences of diverse users, the Library's facilities offer a variety of comfortable and attractive spaces, including quiet individual study areas, dynamic e-zones, and group study rooms that can be booked for use. Wireless access is available throughout the library, and all libraries have card-operated printing and copying facilities. Special facilities are available for vision- and hearing-impaired users. Laptops and e-readers are also available for loan.

You can use special library services such as the Electronic Data Resources Service, which supports empirical and statistical research. Unique scholarly materials from the Rare Books and Special Collections are being digitized and theses are being submitted electronically. The Course Reserve collection in each branch library includes copies of textbooks and high-demand items on course reading lists. You can borrow materials from any library and return them anywhere across the system. If you need material not owned by McGill University Library, our Interlibrary Loan & Document Delivery Service will source it for you and pickup is available at any branch.

16 Resources for Study and Research: University Archives

The McGill University Archives (MUA) acquires, preserves and makes available to researchers (including students) more than 5,000 metres of records dating from 1797 to the present. 21 The University

McGill University is one of Canada's best-known institutions of higher learning and one of the country's leading research-intensive universities. With students coming to McGill from about 150 countries, our student body is the most internationally diverse of any medical-doctoral university in Canada.

21.1 History

The Hon. James McGill, a leading merchant and prominent citizen of Montreal, who died in 1813, bequeathed an estate of 46 acres called Burnside Place together with £10,000 to the “Royal Institution for the Advancement of Learning” upon condition that the latter erect “upon the said tract or parcel of land, an University or College, for the purpose of education and the advancement of learning in this Province”; and further upon condition that “one of the Colleges to be comprised in the said University shall be named and perpetually be known and distinguished by the appellation of ‘McGill College’.”

At the time of James McGill's death, the Royal Institution, although authorized by law in 1801, had not been created, but was duly instituted in 1819. In 1821 it obtained a Royal Charter for a university to be called McGill College. Further delay was occasioned by litigation, and the Burnside estate was not acquired until March 1829. The Montreal Medical Institution, which had begun medical lectures at the Montreal General Hospital in 1822, was accepted by the College as its Faculty of Medicine in June 1829. After further litigation, the College received the financial endowment in 1835 and the Arts Building and Dawson Hall were erected. The Faculty of Arts opened its doors in 1843.

Progress, however, was slow until the 1821 Charter was amended in 1852 to constitute the members of the Royal Institution as the Governors of McGill College. Since that time the two bodies have been one. It was first called “The University of McGill College” but in 1885 the Govern
